Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner of Patents and Trademarks

The reply filed on 20 June 2001 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The version of the amended claims to show the changes made does not fully correspond with the language of the amended claims. For example, claim 74 has been amended to recite in line 3 "determining a first indicia" while the marked up version simply removes "measuring" from line 3 without adding "determining." The marked up version of claim 77 also has word above "indicia" that is not present in the amended claim. See 37 CFR 1.111.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
